SMA Global Consulting

Why US

We offer a unique blend of consulting expertise from Big4 firms and extensive industry experience. Our team of professionals boasts a wealth of knowledge in managing and supervising finance functions for mid to large corporations. This includes team training and implementing internal controls, as well as ensuring regulatory compliance across multiple geographical areas

We're not just consultants; we're partners. We collaborate with startups and existing businesses, offering Financial Planning Consulting Services

Our deep industry insights enable us to assist with business planning, feasibility studies, financial modeling, budgeting, and forecasting, setting you on the path to success from the very beginning

In addition, we provide cost-effective support for maintaining your books of accounts, finance functions, and HR operations. This support can be delivered through offsite or onsite models, all under the supervision of experienced professionals, either on a retainer or full-time equivalent (FTE) basis

Our role is to act as a support service function for your operations, allowing you to concentrate on business development and maximizing revenue

With our team of seasoned professionals and a client-centric approach, we aspire to be your preferred partner in the UAE. Our commitment to innovation and operational excellence distinguishes us as your comprehensive solution provider, addressing your financial, compliance, and strategic needs

This presentation is intended solely for the information and use of the addressee and Management of the Company and is not intended to be and should not be used by anyone other than these specified parties
